## Betty Dyer Nine Year Dedication Awards

Betty Dyer, elected a KLAC Life Member in 1975, was responsible for the Knox Centre's "Rankings and individual performances". In those early days, teams to represent the Knox Centre were by "invitation only" where a sub-committee selected the competitors with the best performances for each event. Betty's record keeping was used to help in these selections. She also had a reputation of memorising many athletes PB's.

Betty was the Knox Centre' Championships Team Manager for many years and firmly stood up for our kids' rights. The award was bestowed upon her posthumously.

Betty was also the wife of KLAC Life Member George Dyer who was a major contributor during the first 20 plus years of the Knox Centre and has the grandstand named in his honour.

Although the Under 15 age group was introduced in the 1987/88 season, the "Betty Dyer Nine Year Dedication Award" was first awarded in season 1995/96. This is awarded to Knox Centre athletes who are 15 or 16 years of age in recognition of completing for 9 or 10 years of continuous registration from Under 7 through to Under 15.
