### Known Club Life Member Listing

KLAC = KLAC Life Member  
 EMR = EMR Life Member  
 VLAA DS = VLAA Distinguished Service  
 VLAA LG = VLAA Life Governor  
 VA = VLAA Volunteer Award

The 40<sup>th</sup> Anniversary Sub-Committee is currently building up a listing of all Life Members at the club level.

It has found that some clubs no longer have records of their club Life Members from the early years so this is being done to have a central place to store this information to keep for the future.

If you know of any not listed, can you please forward this information onto Stephen Egan (info@klac23.org.au).

Ideally, if you know of the date of award, which is usually the club AGM and the seasons they were on the club committee, can you please forward this on too?

Note: Many of the people listed below went on to serve on the KLAC Executive beyond the seasons of club service shown below.
