Hurdles Records

At the beginning of the 1994/95 Little Athletics season, the current hurdles standards were introduced. Little Athletics Australia added an extra flight of hurdles to each distance to make up the events we know to this day.

Four hurdles records still stand from PRE 1994/95 and they are as follows:

Age/Event	Year	Athlete	Record	Type
Boys 10 80mh	1993	Daniel Zula	14.20sec	C
Boys 11 80mh	1994	Daniel Zula	13.24sec	K
Boys 12 60mh	1983	Scott Fewson	9.00sec	K
Boys 13 80mh	1993	Jarrod Redfern	12.40sec	C

These records have been archived and replaced by the best available records found which will be marked as provisional until broken
