

Well, the summer season is nearly over, so there is still time left to get that P.B. for a medal.

I trust all athletes have enjoyed Little Aths this season and look forward to see you all on Saturday 23rd March for Knox Championship day. For the new athletes, this day is a good insight on how official competitions are run. The cross country season starts on April 6th, and there are no extra fees for this activity, so if you are interested, refer to pages 6 and 7 of the yellow handbook for further information.

Thank you to those that donated goods for our raffle and to those that sold ticket on the night.

The most important date to remember is **“Sunday 21st April”** for our clubs Presentation Day and Annual General Meeting,

which is to be held at

Bayswater West Primary School, crn Phyllis & Warrunga St Bayswater, starting at 12.30pm.

Food and softdrink will be provided for all athletes and siblings.

Parents BYO food/alcohol/camera.

See you there.....

Regards,
Ian Polkinghorn
President

A message from the Tattslotto Terror :
This Saturday 9/3/02 (Today) is our last Tatts Supp Comp night so please make sure you have paid up so I don't have to terrorise you too much....

Deb
