

Merry Christmas to you all ! ! !

Thank you.....

On behalf of the Committee, I would like to thank all athletes and families for their time and effort in the first part of the 2003/2004 season.

It has been a great season so far...So many PB's!!! I think we'll need to get extra Gold Medals this year....

Have a fantastic Christmas and New Year break, and I look forward to seeing you all back early next year.

Regards,
Noel Hynes
President

Club Raffle...

On behalf of the Committee, I would like to thank all the families who donated items for our club raffle. We raised around \$ 150.00 for "The Bullets". Special thanks to the Pecek family. For all your Nutrimerics needs, contact Mrs Pecek on 9738 2602.

Multi Event Sat 20th December....

The last meet for this year is a Multi Event. This is a first for a Knox Program. The Multi Event is a competition which tests athlete's all round skills with points allocated depending on their level of performance in a set range of events. The winner of the Multi Event is the athlete with the highest total point score after all events. It's sort of like a Pentathlon.

The scoring system is listed at:
<http://www.klac23.org.au/Multiscoring.htm>

Parent volunteers for duty have not been assigned for this day as yet. For those whose children will be participating, we thought it would be fairer to have it as two shifts, as it is an 8:30am to 2:30pm program. The early shift from 8:30am to 11:30am and the late shift 11:30am to 2:30pm. A roster will be on the Team Managers table so you can choose your shifts. The Multi Day announcement will be made by the Knox Centre today.

2004.....

Our first meeting for 2004 is Saturday January 10. This will be a normal competition day. **SO DON'T FORGET TO COME BACK !!!!!**

Saturday 31st January is the Knox Open Twilight Meeting. A 2pm start and finish around 9pm. Mmmmm...I can see a sausage and hamburger sizzle coming on for that night !!!
