Presidents Message

The season is well under way and its pleasing to see all athletes are improving on their own performances as the weeks go by.

The relays (for U/9's and over) are in full flight at the moment with seven Bayswater athletes representing the Knox Centre at the Eastern Regional Relay Championships on 18th November at Doncaster. All the best to U/9's Jessica, Nathan and Alex, U/10's Erin, Emily and Annie as well as U/12 David.

A small group of Bayswater athletes have also been attending Open Days at other Centres with some great performances, as well as making friends with athletes from elsewhere.

A full list of Open Days are on our website by clicking on the "Notices & Forms" button. or see the Team Managers for details.

We held a stall at the Bayswater Super Fete last month to attract new members and I would like to thank Emma Shearer and Fran Barton-Smith in setting up and manning the stall to give out club information.

The duty roster with parents choosing their own dates seen to be working well. Soon we will be asking to nominate your three dates after Xmas for the remainder of the season.

Thankyou to the following parents who did Canteen on Nov 4th: Libby Egan, Sharon Holdway, Alex Thomson, Melissa Norton, Trish Richardson, Kate Gerrard and Leo Maybus. A special thanks to Leo Maybus and

Alex Thomson who did double shifts when there was no one to take over.

Our Raffle and Cake Stall is coming up on Sat 1st Dec and everyone should have the notice by now. Apart from supplying Xmas items and a cake, we need urgently need ticket sellers on the day.

In addition to editing the Bayswater Bullets website, I have taken over the editing of the Knox website now at www.klac23.org.au. One of the differences to last season is the amount of photos being posted which are around 200 per week now. There are some great Bayswater Bullet shots amongst them This is due to upgrading of the bandwidth and is about five times as many photos as last season – so keep an eye on it.

I am also Chairperson of the Knox Centre 40th Anniversary Sub-Committee to plan the events for next season. Some ideas so far is to have a fun carnival type day, a Civic function at the Knox City Council offices with perhaps an area set aside to display club and Centre memorabilia, 40th merchandise and a photo session with a cherry picker with everyone in the grandstand.

The Bayswater Bullets 40th Anniversary History Project CD/DVD, will now be launched at one of these Knox Centre functions.

Keep up the good work everyone.

Fundraising

Tatts Lotto

For our Tattslotto fundraiser, it costs \$1 per week for your favourite number. If this number comes up as one of the Supplementary numbers on a Saturday night, you will win \$10. Please see our Committee Member, Tracey to select your number(s). Hurry the numbers are going quick.

Every team within the Knox Centre is allocated certain days for fund raising. Bayswater Bullets have been given the following day. Our Raffle Day and Cake Stall are on the Saturday 1st December 2007.

What are the fundraising funds used for?

The money raised assists our club with the cost of trophies, medals, certificates etc for our Club Presentation day at the end of the season, as well as assisting in the supply of our free BBQ on Friday Twilights for athletes, parents and siblings.

Other clubs charge their members for their BBQS.

Notices & Memos

A plastic box with dividers will be on the Team Managers table. Each family will have a folder with their surnames on it. Those with two families will have two folders so each will not miss out on club information.

Please check this weekly for Notices, memos, newsletters and entry forms for Championships.

Coaching/Training

The Knox Centre is very fortunate to have a large number of dedicated coaching staff that provides an excellent coaching service to Knox athletes from all clubs.

All Knox coach's are volunteers and donate their time and energy for the love of the sport and to assist athletes to be the best that they can be.

General T&F training commences in September and continues through to April the following year and is held on Monday & Wednesday nights from 5.00pm to 7.00pm.

Chief Official Duty

The Bayswater Bullets Club has again been assigned “Discus 1” for Chief Official Duty for this season.

The Chief Officials will be Rob Holdway and Stephen Egan who will be rotating the duty on a weekly basis.

Xmas Party

We are having a Xmas BBQ on Sunday 9th of December at the train park in Bayswater.

Please confirm by the 5th as Santa **will** be delivering pressys for kids. (not for your child if we don't know you are coming) BYO food and drink.

Parent Duty Roster

Every Club is required to supply one official for every five athletes registered.

New from this season is that parents can choose their own Parent Duty dates. Three before Christmas and three after.

Xmas raffle and cake Stall Sat 1st December

Each season, each club gets 1 date to hold a **Raffle and cake stall** for fundraising.

Xmas Raffle

We ask that families donate any item for this. There are some suggestions on the Team Managers table that you can write your name beside.

Cake Stall

Could families please also supply a cake/cupcakes/shortbread or whatever you think will sell. **Please note that Health regulations require an ingredient label on each item.**

We find it best that those not on Parent duty help by selling tickets or staying at the cake stall. A timetable is on the Team Managers Desk, to select your job.

We still require two people not on duty to sell raffle tickets around the ground and one person for the Cake stall table. Please email if you are able to or see the Team Managers to put your name on the list.

Thank you for your support

Registration Patches

Please remember to bring your Registration Patch every week.

Any person that forgets their patch after the first month of joining will not obtain Centre Points for their event, even if they know their number.

The Event Recorder will write down "No Patch" on the result sheet next to their name. When the sheet goes to the Data Entry Operator, they will not assign points.

Replacement Registration Patches can be obtained in the office under the Grand Stand for \$1.00.

Duty of Care

Little Athletics is not a babysitting service for Parents.

It is a requirement of the Centre for Parents/Carers to be in attendance, especially if their child is injured.

Committee Members of the Club have many jobs to do on a competition day, without the added inconvenience of waiting for a child's parent to collect them at the end of the day.

If arrangements have been made with another family, then that is OK, but please inform the Team Manager otherwise the Knox Centre may call an ambulance if your child is injured and you cannot be located

Athletes Birthdays

Any new athletes we might not have your details together yet so if we have missed you Birthday in the Newsletter HAPPY BIRTHDAY to you all.
