Happy Easter

Presidents Message

Wishing you and your family a safe and Happy Easter over the holiday period.

Our season draws to a close with just those who entered the Knox Championship Day on 29th March still to go.

Hope the athletes had an enjoyable season and had fun in obtaining their personal best results in all events.

Our Annual General Meeting/ Presentation Day will be decided at our next committee meeting on April 10th so keep a watch on the club website for details.

Speaking of which, we have not had any nominations come in for the 2008/09 Committee.

Upcoming Events

EASTER!!

If you are coming back next season, please consider helping out. We meet around 6 times a year for about 2 hours. We were short this season and without the committee help, what we can provide our members will not be as much as we would like.

Two of our current committee members have indicated they will not be re-electing so thank you very much to Jenny Thomas, our Secretary who had two seasons on our committee. She is leaving to concentrate on their home business.

Also to Tracey Byrant who joined our committee as Tattsлото organiser and Newsletter Editor this season. Tracey has recently started accounting qualifications at night school.

I would also like to thank Emma Shearer at Treasurer in keeping out books in order as well as paying our bills

A special thanks to Tracey and Alex Thompson who put in many hours away from the track in recording our athlete PB's and reports for the website.

I would like to thank all those who helped out at the Bunnings BBQ last month. In particular Stacey Goodger in liaison with Bunnings and the Council and Fran Barton-Smith for her work in sourcing our meat and supplies.

Remember that your season fees cover the winter Cross Country season, which starts on Sat April 5th at 9:00 at Koomba Park.

There are Bayswater Bullets Cross Country season awards for those that compete in 60% of event days.

If you have any ideas or suggestions for season 2008/09, please phone or send an email to bayswaterbullets@hotmail.com or if you have any other queries.

See you at our AGM/Presentation Day

Regards

Stephen Egan

Tatts Lotto

I would like to apologize to the members who have paid their lotto money or have been trying to catch me unfortunately prior commitments have had me absent from the track a lot this season and I have not been able to catch up with people. I hope to have everyone who has won lotto and not received their “winnings” yet paid within the next week or two.

Thanks for your continuing support and patience.

“Parents are required to do duty once every three weeks”

A plastic box with dividers will be on the Team Managers table. Each family will have a folder with their surnames on it. Those with two families will have two folders so each will not miss out on club information.

Please check this weekly for Notices, memos, newsletters and entry forms for Championships.

Coaching/Training

The Knox Centre is very fortunate to have a large number of dedicated coaching staff that provides an excellent coaching service to Knox athletes from all clubs.

All Knox coach's are volunteers and donate their time and energy for the love of the sport and to assist athletes to be the best that they can be.

General T&F training commences in September and continues through to April the following year and is held on Monday & Wednesday nights from 5.00pm to 7.00pm.

Chief Official Duty

The Bayswater Bullets Club has again been assigned “Discus 1” for Chief Official Duty for this season.

The Chief Officials will be Rob Holdway and Stephen Egan who will be rotating the duty on a weekly basis.

Parent Duty Roster

Every Club is required to supply one official for every five athletes registered.

Don't forget everyone must do duty on Championship day.

Congratulations JOSH Holdway!!

Congratulations to YA **Josh Holdway** who broke a another Knox Centre Record, this time in the Discus with a throw of 44.81m

Duty of Care

Little Athletics is not a babysitting service for Parents.

It is a requirement of the Centre for Parents/Carers to be in attendance, especially if their child is injured.

Committee Members of the Club have many jobs to do on a competition day, without the added inconvenience of waiting for a child's parent to collect them at the end of the day.

If arrangements have been made with another family, then that is OK, but please inform the Team Manager otherwise the Knox Centre may call an ambulance if your child is injured and you cannot be located

Registration Patches

Please remember to bring your Registration Patch every week.

Any person that forgets their patch after the first month of joining will not obtain Centre Points for their event, even if they know their number.

The Event Recorder will write down "No Patch" on the result sheet next to their name. When the sheet goes to the Data Entry Operator, they will not assign points.

VLAA State Multi-Event Championships - 1st/2nd March 2008 - Albury

We had two athletes competing in the Multi-Event State Championships held up at Alexandra Park in Albury against the best athletes within the state for the title of best "all round" athlete in each age group. There were nearly 500 athletes competing from the 102 Centres within Victoria.

This was our best result ever as both U/10 **Annie Egan** and U/12 **David Thomson** won in their respective age groups. There is only one winner from each age group so Bayswater Bullets won 2 out of the 14 state wide. The Knox Centre had won 5 of those.

The VLAA introduced a new scoring system from this year "Athletics Alberta - Second Edition 2007" which means that Annie's score of 932 and David's score of 1430 will be Victorian Best Performance State Records.

Sun 9th March 2008 - Werribee Little Athletics Open Day

At the Werribee Open Day at the Victorian University Wyndham Sporting Complex, which traditionally is always held the week before the State Championships as a final tryout, U/10 **Annie Egan** won a Gold in the 400m, two Silvers in the 800m and 80m Hurdles and came fourth in the Triple Jump.

15th-16th March 2008 - VLAA State Track & Field Championships - Bendigo

The State Championships was in very hot and trying conditions with 39 deg C on both days.

U/10 **Annie Egan** won a State Track & Field Bronze medal in the 400m. Annie also came 5th in both the 800m and 80m Hurdles finals. She just missed out in the 60m Hurdles final by 0.02 sec in coming 3rd in the heat - 9th overall.

U/10 **Erin Holdway** who made the final of the Discus in coming 8th and was 9th in the Shot Put.

U/12 **David Thomson** who has been struggling with injury performed very well in making the final of the 60m Hurdles with his 7th position. David came equal 7th in the High Jump and 10th in the Long Jump. David just missed out in making the final of the 80m Hurdles with his 3rd placing in the heat.

In all, our athletes came in the top 10 in the State for all events they contested.

These are excellent results considering that only a very small percentage make it into the State Championships and in each event, they were competing against 24 of the best athletes in the State.
